

Addition, Renovation, Alterations

Building Permit Application- the application must be completed and signed by the owner of the property, or the owner may designate an agent to act on his/her behalf authorizing the agent to obtain and be responsible for all matters pertaining to said permit, by signing a letter to that effect.

Owner of the property- must submit proof of ownership by a copy of the deed.

Construction Drawings - Need to submit two (2) sets of drawings of the proposed area to be constructed, repaired or renovated including

- ⇒ A floor plan of each floor showing all door sizes, window sizes, identify egress windows, ventilation and ceiling height in each room, walls, fire separations, stairs with handrail details, dimension of all rooms, kitchen and bathroom fixtures, label use of each room, indicate location of smoke and CO detectors and heating equipment.
- ⇒ Show a section view of the wall construction and fire separation construction. Identify on the plans new and existing construction.
- ⇒ Stamp and signature by a NYS Registered Architect or Professional Engineer may be required on plans and specifications.

Energy Code Compliance- Show type and location of heat producing equipment. Show method of compliance with R-Values for walls, ceiling and floors and U-Factor for windows.

Electrical Safety Inspection Agencies- must have a rough and final inspection passed by an authorized agency. List available from Building Department.

Set Backs to property lines- Show location of addition on a survey of property or draw on sheet of paper and show left, right front and back setbacks.

Workers' Compensation and Liability Insurance- Proof of insurance must be submitted from the contractor at the time of application. The Town of Lloyd is to be named certificate holder on the form. An exempt form can be submitted if there are no employees. A homeowner can get an exempt form at the Building Dept. Contractors with no employees can get a form on the website www.wcb.state.ny.us

Building Permit # for this application: _____

The owner of this property covered by this application and the undersigned applicant agree:

1. To conform to all applicable laws of this jurisdiction and the NYS Fire Protection and Building Code.
2. To adhere to plans and specifications affixed hereto.
3. To permit the Building Inspector of the Deputy Building Inspector to enter upon to inspect the property at all reasonable times.
4. I understand and agree that all work this is covered prior to inspection shall be required to be uncovered for inspection.
5. I have read and understand the instructions on the Building Permit application.
6. Prior to application for Certificate of Occupancy, I understand that I will have to submit a certified "As Built" drawing, stamped by a New York State Licensed Land Surveyor, Licensed Professional Engineer, or Registered Architect.
7. The "As Built" drawing shall show all structures on the lot and the distances to the lot lines, the elevations of the first floor of the principal or new structure, location and contours of any structures controlling stormwater run-off and the location of any catch-basins on the property. Waiver from this requirement is issued only at the discretion of the Building Department Director.
8. I understand and acknowledge that state and local laws prohibit "any type of occupancy" without a Certificate of Occupancy being issued by the Town. Substantial fines and penalties can be accrued.
